Dear [Name],

How do you want to be remembered?

No matter your age, it is never too early to consider this question. The fact is that how you will be remembered is a direct result of how you live your life, so the sooner you think about it, the longer you have to do something about it. So how do you want to be remembered? As a loving parent? As a successful professional? As someone who made a positive difference in other people's lives?

At the Jewish Federation of Peoria, we believe that each of us deserves the opportunity to create a lasting legacy that will live well beyond our years. For more than XX years, we have made it our mission to enable us, as members of a global Jewish community, to live a life much larger than ourselves, by getting involved, volunteering, and donating. We provide and support programming that reaches out to those of us who are new or uncertain, educates us and our children, provides a hand up when we are down, and sustains a strong, vibrant community for us to enjoy.

Recognizing the importance of this mission, and how critical it is that we sustain our ability to achieve it now and in the future, we are pleased to announce the creation of our new Legacy Program. Through this program, we are educating the community on the value of perpetual giving. Enclosed, please find information that outlines the various ways in which you can ensure the legacy you create will be passed down to future generations. We encourage you to review this information, and contact us to confidentially discuss the most appropriate option for you.

Sincerely,

Terry Broms  
Legacy Committee Co-Chair
